- GA-120-1 - VIEW FROM ROOF OF MILL LOOKING SOUTHWEST AT STARK MILL HOUSING ON CORINTH ROAD. THESE FRONT GABLE BUNGALOWS WERE BUILT AS OVERSEERS HOUSES FOR NEW ENGLAND SOUTHERN MILLS IN HOGANSVILLE IN 1923-1924. THE MILL ENGINEERS FOR STARK MILL, LOCKWOOD GREENE COMPANY, ALSO BUILT THE NEW WORKER HOUSING.
- GA-120-2 - VIEW OF 102, 104, 106, AND 108 CORINTH ROAD (RT. 100) LOOKING SOUTHWEST. EACH OF THESE HOUSES CONTAINED FIVE ROOMS AND A BATH, AND COST APPROXIMATELY \$2,800. OTHER DETAILS INCLUDED PINE FLOORS, BUILT-IN PANTRIES WITH SHELVES, A SCREENED-IN BACK PORCH, AND OPEN FRONT PORCH. IN SPITE OF HAVING TWO FRONT DOORS, IT SEEMS THAT THESE STRUCTURES WERE NEVER USED AS DUPLEXES.
- GA-120-3 - PERSPECTIVE VIEW OF OVERSEERS COTTAGE AT 110 CORINTH ROAD. NOTE ORIGINAL WOOD SIDING, PORCH POSTS, AND STEPS. ORIGINALLY THIS HOUSE SAT ON BRICK PIERS WITH WOOD LATTICE BETWEEN. THE FOUNDATION HAS NOW BEEN INFILLED WITH BRICK.
